citizens.**

## About Us

COMTECH stands for delivering quality services in Information Technology.

We at COMTECH aim to provide IT-enabled solutions and promote scientific temperament within and outside the company premises to strengthen the nation from its core.

AN ISO 9001:2015 CERTIFIED COMPANY

# Vertical Telecommunication

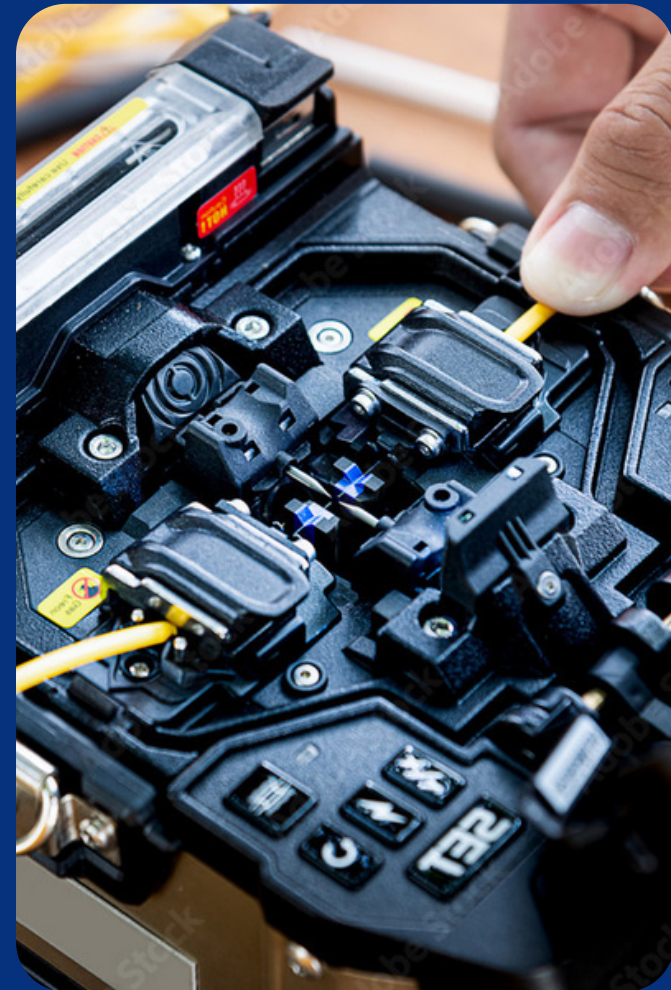

## Why Choose Us?

At COMTECH, we have a team of expert professionals who are educated and skilled in dealing with OFC Laying and Telecom services of the public or private organizations. We ensure that every piece of work is handled & supervised properly to leave no loopholes in the network.

We have an extensive array of modern tools and equipments, including HDD machines, Blowing machines, Splicing machines, OTDRs, OPMs and others, to help advance with efficient OFC services. Besides, our team will also look after the periodic maintenance and correcting measures. We will also make monthly reports based upon the fiber health in respective sections and improve health of the Network accordingly.

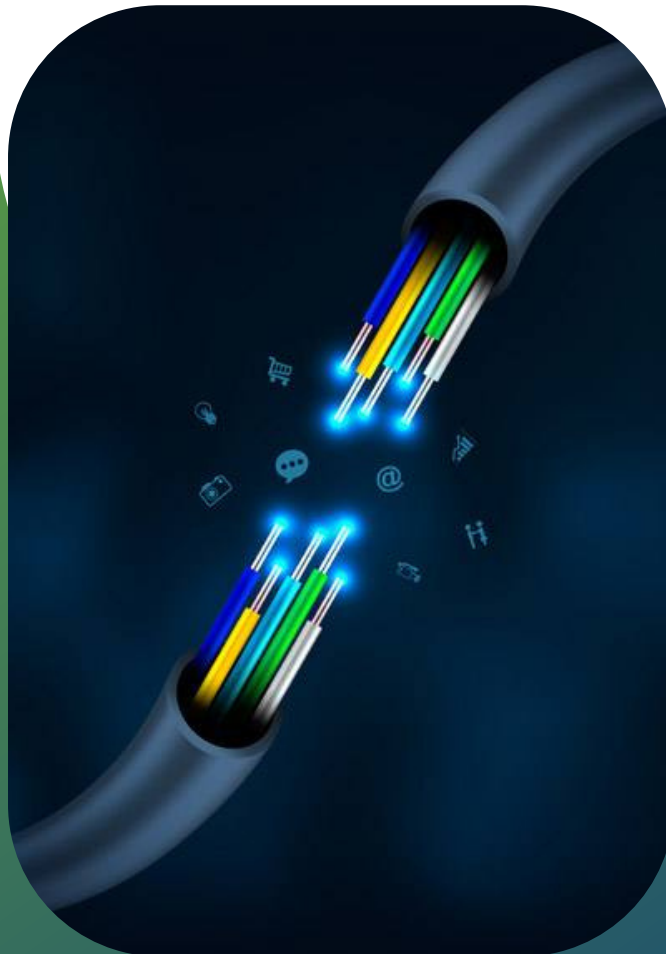

## Our Services

- Optical Fiber Cable (OFC) route planning
- OFC laying services
- OFC blowing services
- Splicing services
- OFC Jointing services
- Trenchless Ducting Services.
- In-building Installations
- GPON & FTTH Installations
- Electrical Works
- Optical Transmission Equipment commissioning and installation.

# Our Achievements

- GUJNET (BBNL PHASE-2)
- MAHANET
- RAILTEL RAPAR, GUJARAT
- FTTH , BANGLORE
- FTTH, ORRISA
- BSNL SURAT
- GFGNL OPTICAL FIBER MAINTENANCE, GUJARAT

## Our Achievements with OFC Laying & Telecom Services

We are in this market for a long time now and have served several private and government organizations for their telecom and OFC laying needs. Our team offers all OFC related services to the clients to ensure that no Network outage come in the way.

Our clients and customers are involved in all processes, even at the time of maintenance of defect correction. 24x7 mobilization assistance for the equipment is also offered to the clients to build a positive report. To ensure that our clients are satisfied with the services; we offer skilled manpower for identifying and rectifying the faults on a timely basis.

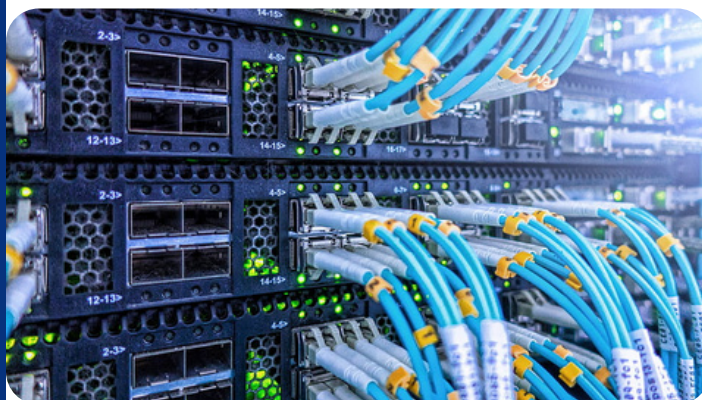

AN ISO 9001:2015 CERTIFIED COMPANY
